RESPONSE TO FINAL OFFICE ACTION

Sir:

In response to the Final Office action mailed May 30, 2008, Applicants respectfully request withdrawal of the finality of the Office action. The only rejection was that the Terminal Disclaimer was filed without the fee. Applicants respectfully submit the Patent Office should have notified the Applicants of this by a Notice of Non-compliant Amendment with a 30 day extendible period for response.

In response to the obviousness-type double patenting rejection, Applicants respectfully request the previously filed Terminal Disclaimer be accepted. A credit card authorization for its fee accompanies this Response. Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees, to Deposit Account 14.1437. Please credit any excess fees to such account.

Applicants also thank the Examiner for indicating the claims are allowable but for the Terminal Disclaimer fee.
